2022

Bellerive CC, St. Louis

June 19-25

Par 72

How times have changed. When last the Missouri Amateur was played at Bellerive in 1984, 145 was the best players could do for the 36 holes of qualifying and the cut for the match play field of 32 was 156. Now it would have been 148! Persimmon vs. modern clubheads?

Brad Nurski claimed his third medalist trophy with his record tying nine-under-par 135. In all, six former champions advanced to match play, but only three survived the first round. Nurski won three matches to bump his

wins to 45, 5th all-time.

Two experienced winners met in the finals. Sam Migdal, the 2016 Champion was edged by Chad Niezing. Niezing was champion of the 2015 Poe-Cotton, 2016 Mid-Am, last year's runner-up and this year's Ozark Invitational champion. Chad was 3 up after the morning eighteen. Sam narrowed it to 1 down with two to go, but Niezing won it dramatically by holing out from 90 yards on #17, the 35th hole.
