Tiger Woods designed Payne's Valley, a unique and beautiful setting for the 116th Missouri Amateur.

Cade Uhlenhake of Lenexa, Kansas set the Missouri Amateur all-time record for qualifying with his ten under par 134. Unfortunately, the 6-2 Washburn lefty became the first medalist to lose to the number 64 seed since 2002.

Former three time champions Brad Nurski

and Skip Berkmeier were eliminated in the first and second round respectively. By the fourth round only defending champ Chad Niezing, 2021 quarterfinalist Zach Vandolah and 2020 runner-up Preston Richardson were Missouri Amateur veterans left in the quarterfinals.

2016 runner-up Hunter Parrish won two matches before bowing out to Niezing in the Sweet Sixteen.

Michael Winslow, (20) St. Thomas Aquinas and Wichita State player, had set a course record in Mo Am qualifying with his 8 under par 64 at Fred Arbanas GC in Kansas City.

Peter Weaver (21) of St. Louis Priory, by way of Villanova won the final 4&3, but the match was anything but monotonous. Weaver was up 5 after 14 in the morning but the match was back to even after 29 holes before Weaver won four holes to win 4&2.
